

QUICKSTART GUIDE

WARNING—SEIZURES

A small percentage of people may experience a seizure or blackout triggered by light patterns, flashing lights, or other images that appear in computer games. If you have an epileptic condition, consult your physician before installing or playing this game. Even people who have no history of epilepsy may experience a seizure while viewing a computer game. A seizure can be accompanied by any of the following symptoms: altered vision, convulsions, disorientation, eye or muscle twitching, involuntary movements, or loss of movement. If you experience any of these symptoms, immediately stop playing and consult a doctor. Parents or guardians of children playing this game should monitor their children closely. If your child suffers any of these symptoms stop playing the game immediately and consult a doctor.

WORLD WARCRAFT

MISTS of PANDARIA

UNLEASH THE SECRETS OF A LOST CONTINENT

Shrouded in fog since the world was sundered more than ten thousand years ago, the ancient realm of Pandaria has remained unspoiled by war. Its lush forests and cloud-ringed mountains are home to a complex ecosystem of indigenous races and exotic creatures. It is the homeland of the mythical Pandaren, a race that celebrates life to the fullest even while under siege by an ancient menace.

The new continent reveals itself to a broken world, just as the Alliance and Horde are spiraling ever closer to a war that will consume all of Azeroth. Will the mists of Pandaria part to reveal the world's salvation? Or will the battle to control this rich and breathtaking new land push the two mighty factions over the brink of war and into total annihilation. The answers await within Pandaria's mysterious shores.

GETTING STARTED

Install the Game: Insert the *World of Warcraft®: Mists of Pandaria™* DVD Disc 1 into your PC or Mac® and then follow the on-screen instructions. Disc 1 and 2 contain data for all World of Warcraft content up through Mists of Pandaria, and can even be used on a computer without a previous version of World of Warcraft installed.

Note: In order to play *World of Warcraft: Mists of Pandaria*, you will need to have a Battle.net® account with the following *World of Warcraft* game keys attached:

CREATE AN ACCOUNT

Before playing *World of Warcraft: Mists of Pandaria*, you will need to attach the game to a Battle.net account. If you already have a Battle.net account, skip to the **Add the Game** step below. If you do not have a Battle.net account and need to create one, go to www.battle.net and click **SIGN UP NOW!**

ADD THE GAME

To add *World of Warcraft: Mists of Pandaria* to a Battle.net account, first log into the account at www.battle.net. On the main screen, click on **Manage My Games**. On the Account Summary screen, click **Add a Game**. Enter your *World of Warcraft: Mists of Pandaria* authentication key and click **Activate Game**.

JUMP INTO THE ACTION

Once the game is installed on your computer and attached to a Battle.net account, you are ready to play! Launch the game from your **Start** menu (PC) or **Applications** folder (Mac) and log in using your Battle.net account name and password.

JOIN THE COMMUNITY

The World of Warcraft Community website is the source for daily news, game information and media, and other services. The Community Forum is the place for *World of Warcraft* players to gather and discuss all things *World of Warcraft*. The Community website is located at www.battle.net/wow.
